

Yusuhara Sunshine Times #1 New ALT in Yusuhara Town: Carter Frost

Carter Frost

Hello, everyone! My name is Carter Frost. I am the new Assistant Language Teacher (ALT) in Yusuhara Town. I arrived in Kochi on Wednesday, August 6th. I will help teach English at Yusuhara Gakuen. I would like to introduce myself and what I bring to Yusuhara Town.

I am from the United States of America (USA). I lived in West Palm Beach, Florida. I am 26 years old. In Florida, I was a middle school teacher. I taught English for two years before moving to Japan. Besides teaching, I like to write stories, to exercise, and to play sports, such as soccer, American football, and ice hockey.

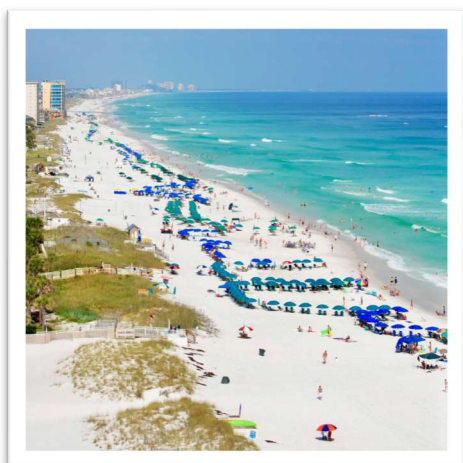

I came to Kochi through the JET Program to enhance my professional teaching experience. The JET Program places English speakers in Japanese classrooms to support foreign language education and cultural exchange. As a participant of the JET Program, I will support the students of Yusuhara Gakuen as they further study the English language and foreign culture. Likewise, I will be collaborating closely with the teachers of Yusuhara Gakuen and be involved with extracurricular activities. I am very excited to work here!

Outside of teaching, I will try to become part of the local community. I plan on attending as many local events as possible. If you see me around Yusuhara Town, please feel free to talk to me! I love meeting and chatting with new people, whether through English or simple Japanese. If you would like to write a message, you can also send me an email at carterfrostalt@gmail.com. Any subject is fine and I respond to messages often!

In the one week that I have been in Yusuhara Town, I have been amazed by the beautiful mountains, stunning and historic architecture, and most importantly, the very kind people. It is very different from the large cities of South Florida and I feel blessed to be here. I look forward to teaching at Yusuhara Gakuen, getting to know the people of Yusuhara Town, and sharing my culture with all of you.

Please look forward to more articles of Yusuhara Sunshine Times. I will be writing about my own culture and experiences from Florida. If there is anything you would like to know about me or where I'm from, please send a message!

This is Florida! Just like Yusuhara Town, it's very hot in the summer.
